MGPL'S NEW DIRECTOR

by Mark Albers - President, MGPL Board of Trustees

"I'm impressed with the level and extent of programs and services offered on a regular basis at the Morton Grove Public Library..."

-Debra Stombres, Library Director

I am pleased to announce that the Library's Board of Trustees has hired Debra Stombres as our Director. Debra, who started on March 24, comes to us from the Aurora Public Library, where she was the branch manager.

Debra has a passion for libraries and loves every aspect of working in one. She believes the local library is a destination for everyone in all walks of life, offering a wide variety of programs and services to meet the informational and recreational needs of the community. She explores and welcomes each new technology that is relevant to library services. Debra likes to think of the library as a technology hub, with answers for busy individuals needing to know how to use the next exciting innovation.

Debra is looking forward to meeting members of the Morton Grove community and getting input on their expectations for the library. She is excited to be a part of our team and is looking forward to building upon the great work they are already doing. Debra said, "I'm impressed with the level and extent of programs and services offered on a regular basis at the Morton Grove Public Library and I have found the staff extremely friendly and capable."
